

## Why Choose Dog n' Suds Doggy Daycare?

Our goal at DOG n' SUDS is to provide a safe, fun and stimulating social environment for dogs during Monday to Saturdays.

Daycare can help prevent or alleviate behavioral problems such as digging, chewing, house soiling, aggression, barking and undirected energy. So if your neighbors are complaining, or if you would like some help in managing your dog's time, DOG n' SUDS DAYCARE could be the answer for you.

Besides the training benefits, daycare is FUN! Your dog will enjoy a variety of activities while in our care.

- Supervised group play
- Individual play with staff
- Fun, confidence-building games
- Nap time
- Walks for those signed up
- Lap time
- Lots of safe toys
- Playground equipment
- Practice of known obedience commands
- Indoor and outdoor play areas

While at daycare, your dog will be reminded of appropriate manners around people and other dogs. Positive socialization is encouraged and practiced. Your dog will return home well exercised and stress-free from romping with his other dog friends. After all, we cannot keep up to our dogs like another dog can. Your dog will be happily tired and ready for a quiet evening when you return home.

Other services offered by DOG n' SUDS include:

- Pick up and drop off
- Grooming
- U-wash
- Teeth Cleaning
- Nail Trimming

Remember a tired dog is a good dog!
